Dear Art:

On behalf of the Open Shop Salute Community Service Program, we would like to take this opportunity to thank all those involved for the generous contributions in assisting the Glastonbury, CT family. As you know, this project involved included the complete replacement of their roof and the installation of a new sump pump.

Through the success of the Open Shop Salute Community Service Program and the kindness and effort of yourself and many other businesses, we have been able to reach out to another military family in need and help this family during a trying and crucial time. Without your commitment, compassionate support and thoughtful contributions, this would not have been possible. Through our program and together with companies like yours, we continue to make a difference and we would like to thank you for participating in this worthy cause.

Sincerely,

President
