Dear Art,

As you may be aware, Bartlett Brainard Eacott, Inc. was honored last night at the AGC of Connecticut's CT Build Awards dinner for the best mid-size new construction project for the American School for the Deaf, Gallaudet-Clerc Education Center.

I would like to thank you for being an important part of this project team. This award would not have been possible without the hard work and dedication of our subcontractors and we greatly appreciate your time and efforts to provide our client with the highest quality finished product.

We look forward to successful collaboration on many more projects to come.

Sincerely,
