Dear Arthur,

The annual Master Contractor Program recognizes top-tier Firestone Red Shield® licensed contractors that are committed to outstanding service, craftsmanship and quality roofing system installations. Firestone Building Products Company, LLC, would like to acknowledge Eagle Rivet Roof Service Corp. with the 2013 Firestone Master Contractor and Inner Circle of Quality Awards, two of the industry's most distinguished commercial roofing awards.

This is the eighth Firestone Master Contractor Award Eagle Rivet Roof Service Corp. has achieved. The firm attained this status based on total square footage installed and Quality Points accumulated for outstanding inspection ratings on Firestone Red Shield® warranted RubberGard™ EPDM, UltraPly™ TPO, UNA-CLAD™ metal and asphalt roofing system installations completed over the past year.

Eagle Rivet Roof Service Corp. also has earned the respected Firestone Inner Circle of Quality Award for the sixth time. The Inner Circle of Quality Award recognizes a select group of Master Contractors that installed a minimum of four warranted Firestone roofs in each of the past five years, maintained at least two million square feet of Firestone roofs under warranty, and achieved an annual Quality Incidence Rating (QIR) of 2.0 or less. Firestone's QIR measures each contractor's quality performance based on warranty repair incidences per million square feet under warranty.

On behalf of Firestone, I congratulate Eagle Rivet Roof Service Corp. on these remarkable accomplishments. The firm demonstrated superior skill in completing top-quality roofing projects and provided excellent customer service, which uphold our high commercial roofing standards. We are pleased to recognize Eagle Rivet Roof Service Corp. for these great achievements and are excited to maintain our strong partnership as we move forward providing building envelope solutions.

Sincerely,

Tim Dunn
President, Firestone Building Products
